

CHC Helicopter to Release FY2014 First-Quarter Results on Sept. 11, Will Host Investor Conference Call on Sept. 12

(Sep 3, 2013)

CHC Helicopter expects to release its fiscal-year 2014 first-quarter financial results, for the period ended July 31, after market close on Wednesday, Sept. 11.

CHC senior leaders will discuss the company's strategy and operating performance during a conference call and webcast on Thursday, Sept. 12, at 5:00 p.m. Eastern Time. Investors, members of the news media and the general public are invited to access the live call via webcast at www.chc.ca/AboutCHC/InvestorRelations and clicking on the webcast link, or over the phone by dialing (201) 689-8565 and using Conference ID 418512 just prior to the starting time. The webcast will be archived and available for replay until Oct. 13.

Bondholders and analysts wishing to participate in the call are invited to contact CHC Investor Relations at (604) 247-7052 or via email to investor@chc.ca to receive a toll-free dial-in number. Requests should be made no later than noon Eastern Time on Thursday, September 12. All participants will be asked to register with the conference-call operator.

A slide presentation accompanying the call will be available at CHC's website for downloading at www.chc.ca/AboutCHC/InvestorRelations.

About CHC

CHC Helicopter is a leader in enabling customers to go further, do more and come home safely, including oil and gas companies, government search-and-rescue agencies and organizations requiring helicopter maintenance, repair and overhaul services through its Heli-One division. The company is headquartered in Vancouver and operates more than 240 aircraft in about 30 countries around the world.

Forward Looking Statements

Statements contained in this release may contain forward-looking information within the meaning of certain securities laws including the "safe harbor" provision of the United States Private Securities Litigation Reform Act of 1995 and any applicable Canadian securities legislation. While these projections, conclusions, forecasts and other statements represent our best current judgment, the actual results could differ materially from the conclusion, forecast or projection contained in the forward-looking information. Certain material factors or assumptions were applied in drawing a conclusion or making a forecast or projection in the forward-looking information contained herein. Such factors include, but are not limited to, the following: exchange

rate fluctuations, trade credit risk, industry exposure, inflation, contract loss, inability to maintain government issued licenses, inability to obtain necessary aircraft or insurance, competition, political, economic and regulatory uncertainty, loss of key personnel, work stoppages due to labor disputes, and future material acquisitions. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those indicated. The Company disclaims any intentions or obligations to update or revise any forward-looking information, whether as a result of new information, future events or otherwise.
